Both of these must be printed on the bat and be visible. Do not paint or tape over them. Please be aware that our priority is safety.

Umpires have consent to check all bats prior to the start of the game. The bat list is always subject to change.

EXTRA PLAYERS FEE

There is a $10.00/player fee for every player on the roster above 20 for the Coed League.

SCHEDULES AVAILABLE

Season schedules may be picked up at the Parks & Rec. Dept. or can be emailed to team manager. Team balances must be paid in full, along with original rosters and player conduct and safety form signed and turned in in order to receive schedules.
Wed., April 22 after 2:00 p.m.
It is the responsibility of the team manager to pick up the schedules at the Parks & Rec. Dept.

GAME SCORES

The winning team manager is responsible for calling or emailing the Parks & Recreation Department the game score the next day. Please stay on top of this as it is hard at the end of the season to try to find all the scores.

RESERVING PRACTICE FIELDS

Teams who have registered, paid in full and turned in all forms, roster and player conduct forms, may reserve practice fields as soon as the DPW deem them playable. A team may reserve two practice fields at a time, but may not reserve additional fields until these two dates have passed.
You may reserve a field by calling Parks & Recreation (587-1040) or coming in person. If you have made your reservation by phone you **must** pick up your field permit the day before or the field **may be reassigned.** The reservation form is important to have with you in case there are others on the field you reserved.

PLAYERS POOL

If you are seeking additional players for your team, please consider iindividuals from our players pool. We will receive many more names to add to this pool. An updated list may be received from the Parks & Recreation Office during the player add period. Please call the office if you add one of these players to your team so we take the name off the pool.

DIVISIONS

Coed: North and South

- North is more competitive than South
- If there are enough teams we will consider having 3 divisions
- **All play a 18 game regular season with double elimination playoffs.**
- Be sure to indicate your **preference** of division on your roster form. **The division your team plays in will be decided by Recreation staff,** but your preference will be considered. Final team placements will be decided according to the roster you submit. ***Final league standings/playoffs will be used to determine where teams play in future leagues/ division.***

Registration DEADLINE: *Wednesday, April 15*

All fees, rosters, proofs and the signed player conduct form must be turned in by this time. All must be turned in together. Registration is on a first-come, first-serve basis. There is limited space in the league.

Requests - Any date(s) your team cannot play **must** be clearly indicated when you turn in your information. Please indicate the dates on the front of your roster form. It is **not** guaranteed you won't play those dates but we will try to accommodate. We are unable to grant requests to never play on Sundays. It is virtually impossible due to the large number of games scheduled on that day. You may request a couple of them off or that Sunday morning or late afternoon is better. If you request a weekday off, please be aware you may have to play some double headers on Sundays. We **cannot** schedule games around other towns leagues or tournaments. No games (regular season, playoffs, or rain-outs) will be switched once they are scheduled. Playoffs will be scheduled immediately at the conclusion of the regular season. We cannot accommodate any scheduling requests for playoffs. For teams who play in both coed and men's, we will not schedule playoff games at conflicting times.

The Northampton Parks & Recreation Department operations and programs are partially funded by City tax dollars. Therefore, non-residents must pay an additional fee for all programs. *Reduction in non-resident fees.

Player Eligibility

A. **Residents** - Anybody whose primary residence is in or owns property in Northampton is considered a Northampton resident. Players who are trying to meet this requirement **must** have their residence or property listed on the roster so it can be confirmed. Teams that misrepresent addresses to meet the residency requirement may be dropped from the league.

B. **Non-residents** - Anybody that does not live in Northampton, Florence or Leeds must pay an additional **$10 each**.

c. The Recreation Dept. may decide the player is "too talented" for the level of competition in the division and reserves the right to remove the player from the roster. In this case, any non-res fees involved will be refunded.

Maximum $100 for all non-resident fees other than entry and player fees.

★ Proof of residency or place of employment for all new players must be submitted with your roster.
