

Northampton Energy & Sustainability Commission
Waste Sub-Committee Agenda

February 25, 2019
4-6 pm

Location: Haymarket Café, basement
185 Main St, Northampton

Commissioner Contact: Ashley Muspratt, murray.ash@gmail.com

Agenda

1. Setting the context for the meeting and goals and scope of our sub-committee (10 min)
2. Review of original Waste-related contents of Northampton CRRP (10 min)
3. Brainstorm of policies or programs that Northampton could pursue to strengthen waste management systems and their and climate mitigation potential. (References to examples from other communities especially encouraged.) (60 min)
4. Identification of potential threats or roadblocks to proposed policies and/or waste management schemes. (This is an initial list that will require further research and analysis.) (15 min)
5. Wrap-up: next steps, action items (20 min)
