B. 15.377 Ordinance Pertaining To City Trees

This Ordinance is still under consideration by the Planning Board and by the Public Shade Tree Commission. The Committee on Rules, Orders, Appointments and Ordinances will consider this Ordinance once the other boards have given their recommendation.

C. 15.382 Order Regarding Paid Sick Time

The law clearly exempts cities and towns from the requirements of the paid sick leave law. However, the Mayor would like to consider the order and the consider all the implications of accepting the law. The Mayor points out that as a city or town you either accept the law or don't accept the law. He requests that we continue to keep this in committee until further

notice.

The Mayor informed the committee that there is information from the Attorney General regarding the implementation date of the new law regarding paid sick time. For those employers who currently have a sick time benefit, the requirements of the new law must be in place no later than Dec. 31, 2015. Any employer without a current paid sick time benefit will still need to meet the July 1 deadline. This extended time is intended to allow employers the opportunity to get their current accrual system adjusted to the new law.

The Mayor requests that the city be allowed the same extended time opportunity as specified by the A.G.

Councilor O'Donnell moved to postpone consideration of this ordinance by the committee; Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

7. Appointments For Committee Approval

He believes that all of the recommendations are key and has already discussed with the Mayor what should be the department's priorities.
