

Provide appropriate bicycle and vehicle parking to support local businesses

how our budgets are supporting this goal

FY 2011

FY 2012

Lilly Library provides and maintains a free parking lot for library patrons. Both libraries provide racks for use by bicycling patrons taking advantage of the nearby bike paths.

Bicycle racks continue to be installed by DPW throughout the city's business and recreation areas. Planning encourages large developments like Kollmorgen's new facilities to include bike racks or bike storage areas.
