

BATS

Bats must have **1.2BPF** printed on them. Bats with **single wall construction** only are allowed. A legal bat list is included.. The League Director will update the list if necessary. No bats made after this list will be able to be used during our fall season. Please be aware our priority is safety. Further restrictions may apply as deemed necessary.

ROSTERS

Please print or type clearly. Rosters must have complete addresses of all players. All changes must be in writing on the league add/drop form and be accompanied with all appropriate fees as specified in the league rules.

All players on add/drop form must sign player conduct and safety form before form can be turned in. Players can only play/be listed on 1 roster for the season including playoffs.

Players dropped from a roster will not be refunded the player fee.

Add/drop deadline for rosters: Friday, Sept 23rd

HOME RUN RULE

A team can only hit 6 home runs in one game (including extra innings). Each additional home run will constitute an out.

Extra Players Fee

We encourage teams in the Men's league to have no more than 15 players on their roster. This is to encourage playing time for all. Also, to discourage huge rosters and teams playing with different players every game.

There is a \$10.00/player fee for every player on the roster above 15 for the Men's League.

RESERVING PRACTICE FIELDS

Teams who have registered may reserve practice fields. A team may reserve two practices at a time, but may not reserve additional fields until these two dates have passed.

You may reserve a field by calling the Recreation Dept. (587-1040) or coming in person. If you have made your reservation by phone you **must** pick up your field permit the day before or the field **may be reassigned**. The reservation form is important to have with you in case there are others on the field you reserved. Maines Field and Parcel C are not available for practices.

PLAYERS POOL

If you are seeking additional players for your team, please consider individuals from the players pool. We will receive many names to add to this pool. An updated list may be received from the Recreation Office during the player add period.

Player Conduct And Safety Form

Regulations regarding player conduct and safety information are the responsibility of each team member. Please read them carefully. No team will be accepted unless these forms are signed by all players and turned in at the time of registration. A copy will be made for the manager upon request.

SCHEDULES AVAILABLE

Season schedules may be picked up at the Recreation Department. Team balances must be paid in full, along with original rosters and player conduct and safety form signed and turned in, in order to pick up schedules. We will not fax schedules.

Wednesday, August 31, after 11:00 a.m.

It is the responsibility of the team manager to pick up the schedules at the Rec. Dept.

Divisions

If the mix of teams permits, we will have two divisions - the higher division is the most competitive, etc. Be sure to indicate your **preference** of division on your roster form. The division your team plays in **will be decided by Recreation staff**, but your preference will be considered. Final team placements will be decided according to the roster you submit.

League Format

- Maximum of 15 teams, minimum of 6 teams.
- All teams play a 12 game schedule with single elimination playoffs, which include may Saturdays and Sundays.

Requests

Any date(s) your team can not play **must** be clearly indicated when you turn in your information. Please indicate the dates on the front of your roster form. It is not guaranteed you won't play those dates but we'll try to accommodate. We are unable to grant request to never play on weekends. It is virtually impossible due to the large number of games scheduled on these days. You may request a couple of them off or that Sunday morning or late afternoon is better. We can not schedule games around other town leagues or tournaments. No games (regular season, playoffs, or rain-outs) can be switched once they are scheduled.

REGISTRATION DEADLINE: Absolute deadline: August 22

All fees, rosters, proofs and the signed player conduct form must be turned in by this time. All must be turned in together. Registration is on a first-come, first-serve basis. There is limited space in the league.

The Northampton Recreation Department operations and programs are partially funded by City tax dollars. Therefore, non-residents must pay an additional fee for all programs.

Player Eligibility

A. **Residents** - Anybody whose primary residence is in or owns property in Northampton is considered a Northampton resident. Players who are trying to meet this requirement **must** have their residence or property listed on the roster so it can be confirmed. Teams that misrepresent addresses to meet the residency requirement may be dropped from the league.

B. **Non-residents** - must pay an additional **\$15 each**

C. **Non-Resident Who Works in City** - An adult whose primary residence is not in the City, but works in the City receives a discount on the non-resident fee, and must pay an **additional \$10**.

a. Each team is allowed a maximum of three non-Hampshire County residents. The eligibility of these players is at the discretion of the Recreation Commission and/or the Director of Recreation.

b. Out of County residents must be listed on the originally submitted team roster.
