If 2 or more persons are to be elected to the same office at the regular or special city election, the several persons equal in number to twice the number to be elected receiving at such preliminary election the highest number of votes for nomination for that office shall, except as provided by subsection (d), be the sole candidates for that office whose names shall be printed on the official ballot. If the preliminary election results in a tie vote among candidates for nomination receiving the lowest number of votes which would entitle a person receiving the same to have that person's name printed on the official ballot for the election, all candidates participating in the tie vote shall have their names printed on the official ballots, although in consequence thereof there shall be printed on the ballots the names of candidates exceeding twice the number to be elected.

(d) Condition Making Preliminary Unnecessary - If at the expiration of the time for filing statements of candidates to be voted for at any preliminary election, not more than twice as many such statements have been filed with the city clerk for an office as are to be elected to such office, the candidates whose statements have thus been filed shall be deemed to have been nominated to the office and those candidates shall be voted on for such office at the succeeding regular or special city election and the city clerk shall not print those names on the ballot to be used at the preliminary election and no other nomination to the office shall be made. If in consequence it shall appear that no names are to be printed upon the official ballot to be used at a preliminary election in the city, no preliminary election shall be held in such ward.

## SECTION 8-3. REGULAR CITY ELECTION

The regular city election shall be held on the first Tuesday following the first Monday in November in each odd-numbered year.

## SECTION 8-4. BALLOT POSITION, REGULAR CITY ELECTION

The order in which names of candidates for each office appear on the ballot shall be determined by a drawing, by lot, conducted by the city clerk not later than 7 days after the certification of the preliminary election results. In the event that there is no preliminary election in advance of the regular city election, the drawing shall be conducted on the fourth Tuesday in September prior to the regular city election. In the event that there is no preliminary election in advance of a special city election, the drawing shall be conducted on the sixth Tuesday prior to the special city election. The drawing shall be open to the public.

## SECTION 8-5. NON-PARTISAN ELECTIONS

All elections for city offices shall be non-partisan and election ballots shall be printed without any party mark, emblem or other political designation.

## SECTION 8-6. WARDS

The territory of the city shall be divided into 7 wards by the city clerk to consist of nearly an equal number of inhabitants as it is possible to achieve based on compact and contiguous territory, bounded as far as possible by the center line of known streets or ways or by other well-defined limits. Each ward shall be composed of voting precincts established under the General Laws. The city council shall review these wards to ensure uniformity in the number of inhabitants at least once every 10 years.

## SECTION 8-7. APPLICATION OF STATE GENERAL LAWS

Except as otherwise expressly provided in this charter and authorized by law, all city elections shall be governed by the laws of the commonwealth relating to the right to vote, the registration of voters, the nomination of candidates, voting places, the conduct of preliminary, regular and special city elections, the submission of charters, charter amendments and other propositions to the voters, the counting of votes, the recounting of votes and the determination of results.

# Article 9. CITIZEN PARTICIPATION MECHANISMS

## SECTION 9-1. CITIZEN INITIATIVE MEASURES

(a) Commencement - Initiative procedures shall be started by the filing of a proposed initiative petition with the city clerk or the secretary of the school committee. The petition shall be addressed to the city council or to the school committee, shall contain a request for the passage of a particular measure which shall be set forth in full in the petition and shall be signed by at least 250 voters. At least 25 signatures must be certified from each ward. The petition shall be accompanied by an affidavit signed by 10 voters and containing their residential address stating those voters will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form.

(b) Referral to City Solicitor - The city clerk or the secretary of the school committee shall, immediately following receipt of a proposed petition, deliver a copy of the petition to the city solicitor. The city solicitor shall, within 15 days following receipt of a copy of the petition, in writing, advise the city council or the school committee and the city clerk whether the measure as proposed may lawfully be proposed by the initiative process and whether, in its present form, it may lawfully be adopted by the city council or the school committee. If the opinion of the city solicitor is that the measure is not in proper form, the reply shall state the reasons for this opinion, in full. A copy of the opinion of the city solicitor shall be mailed to the members of the petitioners committee.

(c) Submission to City Clerk - If the city solicitor determines that the petition is in a proper form, the city clerk shall provide blank forms for the use of subsequent signers and shall print at the top of each blank form a fair, concise summary of the proposed measure, as determined by the city solicitor, together with the names and addresses of the first 10 voters who signed the originating petition. The city clerk shall notify the first 10 voters that the blank forms are issued. Within 30 days following the date of the notice, the petition shall be returned and filed with the city clerk signed by at least 10 per cent of the total number of registered voters as of the date of the most recent regular city election. Signatures to an initiative petition need not all be on 1 paper, but all papers pertaining to any 1 measure shall be fastened together and shall be filed as a single instrument, with the endorsement on it of the name and address of the person designated as filing the papers. With each signature on the petition there shall also appear the street and number of the residence of each signer. Within 10 days following the filing of the petition, the registrars of voters shall ascertain the number of voters that signed the petition and the percentage that number is of the total number of voters as of the date of the most recent regular city election. The registrars of voters shall attach to the petition a certificate showing the results of its examination and shall return the petition to the city clerk or the secretary of the school committee, depending on how the petition is addressed. A copy of the registrars of voters' certificate shall also be mailed to the members of the petitioners committee.

(d) Action on Petitions - Within 30 days following the date a petition has been returned to the city clerk or the secretary of the school committee and after publication under subsection (f), the city council or the school committee shall act with respect to each initiative petition by passing it without change, by passing a measure which is stated to be in lieu of the initiative measure or by rejecting it. The passage of a measure which is in lieu of an initiative measure shall be deemed to be a rejection of the initiative measure. If the city council or the school committee fails to act within 30 days following the date the measure is returned to it, the measure shall be deemed to have been rejected on the thirtieth day. If an initiative measure is rejected, the city clerk or the secretary of the school committee shall promptly give notice of that fact to the petitioners committee by certified mail.

(e) Supplementary Petitions - Within 60 days following the date an initiative petition has been rejected, a supplemental initiative petition may be filed with the city clerk or the secretary of the school committee, but only by persons constituting the original petitioners committee. The supplemental initiative petition shall be signed by a number of additional voters equal to at least 5 per cent of the total number of registered voters as of the date of the most recent regular city election. The signatures on the initial petition filed under subsection (c) and the signatures on the supplemental petition filed under this subsection, taken together, shall contain the signatures of at least 15 per cent of the total number of registered voters as of the date of the most recent regular city election. If the number of signatures to this supplemental petition is found to be sufficient by the city clerk, the city council shall call a special election to be held on a date not less than 35 nor more than 90 days following the date of the certificate of the city clerk that a sufficient number of registered voters have signed the supplemental initiative petition and shall submit the proposed measure, without alteration, to the voters for determination, but if a city election is to be held within 120 days following the date of the certificate, the city council may omit calling the special election and cause the question to appear on the election ballot at the approaching election for determination by the voters.

(f) Publication - The full text of an initiative measure which is submitted to the voters shall be published in at least 1 local newspaper not less than 7 nor more than 14 days preceding the date of the election at which the question is to be voted upon. Additional copies of the full text shall be available for distribution to the public in the office of the city clerk.

(g) Form of Question - The ballots used when voting on a measure proposed by the voters under this section shall contain a question in substantially the following form:

(h) Time of Taking Effect - Subject to section 9-4, if a majority of the votes cast on the question is in the affirmative, the measure shall be deemed to be effective immediately, unless a later date is specified in the measure.

## SECTION 9-2. CITIZEN REFERENDUM PROCEDURES

(a) Petition, Effect on Final Vote - If, within 21 days following the date on which the city council or the school committee has voted finally to approve any measure, a petition signed by a number of voters equal to at least 15 per cent of the total number of voters as of the date of the most recent regular city election and addressed to the city council or to the school committee, protesting against the measure or any part of it is filed with the secretary of the school committee or city clerk, the effective date of that measure shall be temporarily suspended. The school committee or the city council shall immediately reconsider its vote on the measure or part of it and, if the measure is not rescinded, the city council shall provide for the submission of the question for a determination by the voters either at a special election, which it may call at its convenience, within such time as may be requested by the school committee or at the next regular city election; provided, however, that pending this submission and determination, the effect of the measure shall continue to be suspended.

(b) Certain Initiative Provisions to Apply - The petition described in this section shall be termed a referendum petition and section 9-1, as the section relates to the filing and certification of signatures, shall apply to such referendum petitions, except that the words "measure or part thereof protested against" shall be deemed to replace the word "measure" and the word "referendum" shall be deemed to replace the word "initiative". Subject to section 9-4, the measure or part thereof protested against shall be null and void unless a majority of those voting on the question shall vote in favor of the measure or part thereof protested against at the election.

## SECTION 9-3. INELIGIBLE MEASURES

None of the following shall be subject to the initiative or the referendum procedures:

- (1) proceedings relating to the internal organization or operation of the city council or of the school committee;
- (2) an emergency measure adopted under the charter;
- (3) the city budget or the school committee budget as a whole;
- (4) any appropriation for the payment of the city's debt or debt service;
- (5) an appropriation of funds to implement a collective bargaining agreement;
- (6) proceedings relating to the appointment, removal, discharge, employment, promotion, transfer, demotion or other personnel action;
- (7) any proceedings repealing or rescinding a measure or part of it which is protested by referendum procedures;
- (8) any proceedings providing for the submission or referral to the voters at an election; and
- (9) resolutions and other votes constituting ordinary, routine matters not suitable as the subject of a referendum petition.

## SECTION 9-4. REQUIRED VOTER PARTICIPATION

For any measure to be effective under initiative procedure and for any measure to be declared null and void under a referendum procedure, at least 20 per cent of the voters as of the most recent regular city election must vote at an election that includes on the ballot submission to the voters of 1 or more initiative or referendum questions.

## SECTION 9-5. SUBMISSION OF OTHER MATTERS TO VOTERS

The city council may on its own motion and shall at the request of the school committee, if a measure originates with that body and pertains to affairs under its jurisdiction, submit to the voters at a regular city election for adoption or rejection a measure in the same manner and with the same force and affect as are provided for submission by initiative or referendum petitions.

## SECTION 9-6. CONFLICTING PROVISIONS

If 2 or more measures passed at the same election contain conflicting provisions, only the 1 receiving the greatest number of affirmative votes shall take effect.

# Article 10. GENERAL PROVISIONS

## SECTION 10-1. CHARTER CHANGES

This charter may be replaced, revised or amended in accordance with any procedure made available under the state constitution or by statutes enacted in accordance with the state constitution.

## SECTION 10-2. SEVERABILITY

This charter is severable. If any provision of this charter is held invalid, the other provisions shall not be affected by this holding. If the application of this charter to any person or circumstance is held invalid, the application of the charter to other persons and circumstances shall not be affected.

## SECTION 10-3. SPECIFIC PROVISION TO PREVAIL

To the extent that a specific provision of this charter conflicts with any provision expressed in general terms, the specific provision of the charter shall prevail.

## SECTION 10-4. RULES AND REGULATIONS

A copy of all rules and regulations adopted by a city agency shall be placed on file in the office of the city clerk not later than the effective date of the rule or regulation and shall be available for review by any person who requests such information at any reasonable time. Unless an emergency exists as determined by the mayor, no rule or regulation adopted by a city agency shall become effective until at least 5 days following the date it is filed.

## SECTION 10-5. PERIODIC REVIEW OF ORDINANCES

Not later than July 1, at 5-year intervals, in each year ending in a 5 or in a zero, beginning in 2015, the mayor and city council shall provide for a review to be made of some or all of the ordinances of the city to prepare a proposed revision or recodification of them. This review shall be made by a special committee to be established by ordinance. All members of the committee shall be voters of the city. The special committee shall file its report with the city clerk at a date specified by ordinance. The review of city ordinances shall be under the supervision of the city solicitor. Copies of any recommendations shall be made available to the public at a cost not to exceed the actual cost of the reproduction.

## SECTION 10-6. PERIODIC REVIEW OF CHARTER

Not later than July 1, at 10-year intervals, in each year ending in a 9, the mayor and city council shall provide for a review to be made of the city charter. The special committee shall file its report with the city clerk at a date specified by ordinance. Copies of any recommendations shall be made available to the public at a cost not to exceed the actual cost of the reproduction.

## SECTION 10-7. UNIFORM PROCEDURES GOVERNING MULTIPLE-MEMBER BODIES

(a) Meetings - All appointed multiple-member bodies of the city shall meet regularly at the times and places that the multiple-member body, by the body's own rules, prescribe. Special meetings of any multiple-member body shall be

(b) Meeting Documents and Submissions - Each appointed multiple-member body shall determine its own rules and order of business within the bounds of any applicable ordinance that created it. Each multiple-member body shall provide for the keeping of agendas, minutes and related submissions of its proceedings. All such documents shall be a public record and certified copies shall be placed on file in the office of the city clerk within 15 days of approval.

(c) Voting - If requested by a member, a vote of an appointed multiple-member body shall be taken by a roll call vote and the vote of each member shall be recorded in the minutes, but if the vote is unanimous, only that fact need be recorded.

(d) Quorum - A majority of the members of an appointed multiple-member body shall constitute a quorum. Unless some other provision is made by the multiple-member body's own rules while a quorum is present, except on procedural matters, a majority of the full membership of the body shall be required to vote on a matter representing an exercise of the powers of the multiple-member body. General Laws related to a vote to meet in "executive session" shall always require a majority of members of the body.

(e) Residency - Unless otherwise allowed by law, regulation, ordinance or by this charter, all members of multiple-member bodies shall be residents of the city at all times during that members term of office. If a member of a multiple-member body removes from the city during the term for which appointed, such seat shall immediately be deemed vacant and filled under section 3-3.

## SECTION 10-10. COMPUTATION OF TIME

In computing time under this charter the day of the act or event after which the designated period of time begins to run shall not be included. The last day of the period shall be included, unless it is Saturday, Sunday or legal holiday, in which event the period shall be extended to the next day which is not a Saturday, Sunday or legal holiday. When the period of time designated is fewer than 7 days, intermediate Saturdays, Sundays and legal holidays shall not be included, when the period is 7 days or more, Saturdays, Sundays and legal holidays shall be included.

## SECTION 10-11. OATHS OR AFFIRMATIONS FOR THE OFFICE OF MAYOR, CITY COUNCIL, SCHOOL COMMITTEE, CITY

## CLERK

A mayor-elect, the city council members-elect, the school committee members-elect and all other elected officials shall, on the first Monday in the January of each even-numbered year, except when the first Monday falls on a legal holiday, in which event on the following day, meet and take an oath or affirmation to the faithful discharge of the duties of their office by the city clerk. The city clerk shall first take the oath or affirmation to the discharge of the duties of the office by a judge of a court of record or by a justice of the peace. Upon receiving the oath or affirmation, each official shall document the same by entering the official's name in a journal maintained by the city clerk. In the case of the absence of the mayor-elect or any member-elect of the city council or school committee on the day the oath is administered, the oath or affirmation may at any time thereafter be administered to that person by the city clerk, the assistant city clerk, a judge of a court of record or by a justice of the peace. Additional inaugural procedures may be prescribed by ordinance.

### SECTION 10-12. CERTIFICATE OF ELECTION OR APPOINTMENT

Except as otherwise provided by law, every person who is elected, including those elected by the city council, or appointed to an office of the city, before performing any act under this appointment or election, shall take and subscribe to an oath or affirmation to qualify to enter upon the duties. A record of this oath shall be kept by the city clerk.

### SECTION 10-13. LIMITATION ON OFFICE HOLDING

Unless otherwise allowed by law or this charter, no person shall simultaneously hold more than 1 city office or position of employment. This section may be waived by the mayor upon the appointment of a person to an additional office or position of employment by filing a notice of the waiver with an explanation and justification with the city clerk.

### SECTION 10-14. FELONY CONVICTION

An elected official who has been convicted of a state or federal felony while holding office shall be deemed to have vacated the office.

### SECTION 10-15. ENFORCEMENT OF CHARTER PROVISIONS

It shall be the duty of the mayor to see that the charter is faithfully followed and complied with by all city agencies and city employees. Whenever it appears to the mayor that a city agency or city employee is failing to follow this charter the mayor shall, in writing, cause notice to be given to that agency or employee directing compliance with the charter. If it shall appear to the city council that the mayor personally is not following the charter it shall, by resolution, direct the attention of the mayor to those areas in which it believes there is a failure to comply with the charter. The procedures made available in chapter 231A of the General Laws may be used to determine the rights, duties, status or other legal relations arising under this charter, including any question of construction or validity which may be involved in such determination.

In any case in which this charter is found to be inconsistent with any general or special law that would otherwise be applicable, this charter shall be deemed to prevail. # Northampton Charter Review Committee

## Summary of Recommendations 2019

(Approved Nov. 19)

This document summarizes the recommendations of the Charter Review Committee resulting from its study of the current City Charter, enacted in 2012 by special act of the Legislature, St. 2012, c. 277, and ratified by the voters of Northampton on Nov. 6, 2012. The Committee was established in January 2019 to provide for a review of the charter pursuant to Section 10-6 of the City Charter and Chapter 9 of the Northampton Code of Ordinances. The committee is composed of a representative from the executive branch, one member of the City Council and seven citizen members, one resident from each ward, appointed by the mayor in consultation with the ward councilor with confirmation by the City Council. Upon submission of this report to the city clerk, the Committee is dissolved.

The Committee held 19 public meetings, including forums on April 30 about election issues, on June 18 about the issue of appointing rather than electing the city clerk, and on Oct. 29 to review its recommendations. There was an opportunity for public comment at all meetings. The Committee's work was guided by consideration of outstanding issues carried over from its most recent predecessor committee; issues and suggestions presented by the mayor, other elected officials and department heads; written and verbal testimony from the community; and its own review of the existing charter. An annotated copy of the current City Charter also is provided, detailing all the changes recommended by the Committee. The approved minutes of all meetings as well as written testimony received by the Committee are available in the city clerk's office and on the city's website.

Where dates of meetings appear in this document, readers desiring background on recommendations approved by the Committee are encouraged to refer to the corresponding minutes for more information.

Major recommendations made by the Committee are organized in the following categories: expanding the electorate; changing the city clerk from an elected to an appointed position; addressing temporary vacancies in the office of the mayor; filling vacancies on the School Committee and Forbes Library Trustees; and extending to Smith Agricultural School certain provisions pertaining to the School Committee.

More minor recommendations of a "housekeeping" nature are found in the attached annotated copy of the current City Charter.

Finally, the Committee considered several other issues, primarily related to the city's commitment to equity and transparency in government, which did not result in recommended changes to the charter. Nevertheless, we regard them as important and urge further study by city officials for inclusion in this or future amendments to the charter. Those appear at the end of this summary under the categories of under-represented communities, access to information and access to elections.

## Expanding the Electorate

1. **The motion to approve lowering the municipal voting age to 16 was approved 8-0 by roll call vote.** *Motion approved May 21. Discussed Feb. 7 and April 30.* The Committee endorsed the recommendation of the Mayor's Youth Commission made at the public forum on election issues April 30. Leaders of the commission cited benefits including increasing voter turnout and encouraging civic engagement at a younger age. They also advocated for high school students having the right to vote for candidates who will make decisions about issues directly affecting them, such as the school budget. Youth commission leaders also pointed out that many high school students already are activists on issues such as March for Our Lives and the Green New Deal, and have the maturity and interest to be responsible voters.
2. **The motion to adopt ranked-choice voting for municipal elections was approved 8-0 by roll call vote.** *Motion approved May 21. Discussed Feb. 19, March 19, April 30 and May 7.* This recommendation received overwhelming community support as evidenced by testimony at the April 30 forum. Benefits include eliminating the need of costly preliminary elections that are a scheduling challenge; preventing the negative effect of "vote-splitting" and "bullet voting"; and encouraging more positive campaigning that potentially results in more candidates and increased voter participation.
3. **The motion to approve mailing ballots for municipal elections to all registered voters passed 7-0-1 by roll call vote.** *Motion approved May 21. Discussed March 19, April 2 and April 30.* The Committee concurs with the recommendation of the city clerk that mailing ballots to all registered voters remedies numerous problems associated with "absentee voting" and would very likely increase voter participation.
4. **The motion to approve removing the need to cite a specific reason to receive an absentee ballot for municipal elections passed unanimously 8-0 by roll call vote.** *Motion approved May 21. Discussed March 19, April 2 and April 30.* This charter change is recommended in the eventuality that motion #3 (approve mailing ballots) is not enacted. The current requirement to specify a need to receive an absentee ballot is viewed as restrictive, and the Committee concurs with the recommendation of the city clerk that should not be a requirement to receive an absentee ballot.
5. **The motion to recommend removing the designation "candidate for re-election" from the names of incumbents on municipal ballots passed unanimously 8-0 by roll call vote.** *Motion approved June 18. Discussed May 7 and June 4.* This recommendation is made to encourage more candidates to run for elective office by leveling the playing field on municipal ballots.
6. **The motion to approve extending voting rights in municipal elections to non-citizens was approved unanimously 9-0 by roll call vote.** *Motion approved Oct. 29. Discussed July 16 and Oct. 15.* The Committee endorsed this recommendation after favorable testimony by 15 speakers at the Oct. 29 public forum. The Committee believes that this is consistent with the city's commitment to equity, fostering an open and welcome community, embracing diversity and promoting a sense of inclusion for all.

## Appointed vs. Elected City Clerk

**The motion to recommend that the city clerk be an appointed position by the mayor with confirmation by the city council passed unanimously 9-0 by roll call vote.** *Motion approved Sept. 3. Discussed Feb. 19, June 4, June 18, July 16, and Aug. 20.* This recommendation recognizes the professionalism inherent in the position of

city clerk due to the complex nature of the job, and to remove the perception of possible conflict involving a city clerk presiding over an election with their name on the ballot. The most recent prior charter review committee took no action on this change due to opposition from the then-city clerk (who was elected), who in 2019 testified that she supports the change to an appointed position. The mayor supported this recommendation to bring the city clerk in line with other department heads who are appointed. The current city clerk did not take a public position on the recommendation, but said she would not oppose the change. Several other city clerks were surveyed and testimony was heard from the secretary of the Massachusetts City Clerks Association. It was noted that 43 of 48 cities in Massachusetts now have an appointed city clerk.

## Temporary Absences and Vacancies in the Office of Mayor

1. **The motion to approve amended language to Section 3-7 (Temporary Absence of the Mayor) passed unanimously 7-0 by roll call vote. [“The mayor shall, by a letter filed with the city council and a copy filed with the city clerk, delegate authority pursuant to Section 3-8 to a qualified city officer or employee to exercise the powers and perform the duties of the office during the temporary absence of the mayor for periods of 10 business days or less and to serve only when the needs of the city require and only to the extent necessary under the then circumstances. If the temporary absence of the mayor exceeds 10 business days, the president of the city council shall be the acting mayor. If at any time the city council determines that the mayor is incapacitated and unable to perform the duties of the office, it may appoint its president to serve as acting mayor by the affirmative vote of 7 members. Notwithstanding any general or special law to the contrary, the vote shall be taken in public session by a roll call vote.”] Motion approved July 16. Discussed Feb. 19, March 19 and June 18.** This recommendation clarifies that if the mayor is absent for 10 business days or less, he or she will delegate authority to the appropriate city official. Only if the temporary absence exceeds 10 business days or if the mayor is incapacitated, does the city council president then serve as acting mayor.
2. **The motion to approve the amended version of Section 3-9 (Vacancy in Office of Mayor) passed unanimously 9-0 by roll call vote. [“a) If a vacancy in the office of mayor occurs, the city council president shall serve as mayor until a mayor is elected and qualified under this section. In the event that the city council president is unable to serve as mayor under this subsection, the city council shall elect, from among its membership, a person to serve as mayor. The city council president or other councilor elected by the city council hereunder shall take office immediately upon such vacancy.**
  - b) **Upon a vacancy in the office of mayor, the city council shall, under section 2-6 (c)(ii), call a special meeting of the city council, and the city council shall, under section 8-1, order a special election to be held within 90 days following the date the vacancy is created to fill that vacancy until the next regular city election. The person elected at a special city election shall be sworn to office immediately.**
  - c) **Upon the adoption of an order for a special election under subsection b, the city clerk shall set the special election calendar as follows: nomination papers shall be made available within 7 days of the vacancy; nomination papers shall be filed with the board of registrars of voters within 28**

days of the vacancy; the board of registrars shall certify such nomination papers within 30 days of the vacancy and the candidate shall file such certified nomination papers with the city clerk within 35 days of the vacancy; a preliminary election shall be held within 65 days of the vacancy, if required; a special election shall be held within 90 days of the vacancy.

d) Notwithstanding the provisions of subsection b), no special election shall be ordered if the vacancy occurs in month sixteen, seventeen, eighteen, forty, forty-one, or forty-two of the term for which the mayor was elected. In such case, the city council president or other councilor elected by the city council shall serve as mayor until the next regular city election. The person elected at such regular city election shall be sworn to office immediately and shall serve a four-year term.

e) Notwithstanding the provisions of subsection b), no special election shall be ordered if the vacancy occurs in month forty-seven or forty-eight of the term for which the mayor was elected and the mayor will not be serving another term. In such case, the mayor-elect shall be sworn to office immediately and shall serve the remainder of the mayoral term and the four-year term for which such person was elected.

f) Any person serving as mayor under this section shall receive the compensation then in effect for the office of mayor.”] *Motion approved Sept. 3. Discussed July 16, Aug. 20 and Sept. 3.* This recommendation is intended to ensure an orderly transition of power by making clarifications and correcting deficiencies in the prior language.

## Filling Vacancies on the School Committee and Trustees of Forbes Library

1. The motion to change wording of Section 4-6 (School Committee Filing of Vacancies) was passed 8-0 by roll call vote. [“Whenever a vacancy occurs on the school committee, the president of the city council shall, within 30 days following the date of the vacancy, call a joint meeting of the city council and the school committee to fill the vacancy. The city council and school committee shall appoint, by majority vote of those present, a person to fill the vacancy from among the voters entitled to vote for the office. Persons appointed to fill a vacancy by the city council and school committee shall serve only until the next regular city election, when the office shall be filled by the voters. The candidate elected to an office filled by appointment prior to the election shall be sworn to the office immediately to complete the then unexpired term in addition to the term for which elected. No vacancy shall be filled under this section if a regular city election is to be held within 120 days following the date the vacancy is declared to exist. Persons serving as school committee members under this section shall not be entitled to have the words "candidate for reelection" printed with that person's name on the election ballot. The process and procedures by which the city council and school committee shall jointly fill vacancies under this section shall be established by ordinance.”] *Motion approved May 21.* The changes are recommended to avoid confusion and to align the language with how the joint committee conducts its selection.
2. The motion to change the language of Section 5-2 (Trustees under the will of Charles E. Forbes) passed 6-0-1 by roll call vote. [“Five members shall be elected by and from the voters of the city at large for a term of four years, so arranged that all members are not elected at the same time. Whenever a vacancy occurs on the board of trustees under the will of Charles E. Forbes, the

**president of the board shall declare a vacancy and, within 30 days following the date of the vacancy, call a meeting of the trustees to fill the vacancy. The board of trustees shall choose a person to fill the vacancy from among the voters entitled to vote for the office. Persons appointed by the trustees to fill a vacancy shall serve only until the next regular city election, when the office shall be filled by the voters. The candidate elected to an office filled by appointment prior to the election shall be sworn to the office immediately and shall serve for the unexpired term of the seat to which such candidate was elected. If the seat to which the candidate was elected would have been on the ballot for the next regular city election notwithstanding the vacancy, such candidate shall be elected for a full four-year term. No vacancy shall be filled under this section if a regular city election is to be held within 120 days following the date the vacancy is declared to exist. Persons appointed by the trustees to fill a vacancy under this section shall not be entitled to have the words "candidate for re-election" printed with that person's name on the election ballot.”]**  
*Motion approved May 21. Discussed Feb. 19, April 2, April 16, and May 7.* This recommendation replaces language specifying that “Vacancies shall be filled in a like manner as a city clerk vacancy.” Officials of Forbes Library testified that the remaining members of the trustees best understand the skills needed to fill the vacancy on the board. The recommendation adopts language agreed to by the mayor and trustees of the library.

## **Extending School Committee provisions to Smith Agricultural School**

- 1. The motion to replace the words “city clerk” with “school committee” in Section 5-4, (Superintendents of Smith Agricultural School) passed unanimously 8-0 by roll call vote. [“Vacancies shall be filled in a like manner as a school committee vacancy.”]** *Motion approved March 19. Discussed Feb. 19.* The recommendation brings the procedure to fill a vacancy on the board of trustees for Smith Agricultural School in line with that used to fill a vacancy on the School Committee.
- 2. The motion to include the Smith Agricultural School trustees to the invite list in Section 7-2 (Annual Budget) passed unanimously 8-0 by roll call vote.** *Motion approved March 19.* This motion was passed to remedy an oversight in the current charter. The mayor will include the Smith Agricultural School trustees when he conducts the joint meeting of the city council and the school committee before the commencement of the budget process.
- 3. The motion to include the words “persons serving under superintendents of Smith Agricultural School” to language in Section 3-3 (Appointments by the mayor) passed unanimously 8-0 by roll call vote.** *Motion approved March 19.* The amended sentence of Section 3-3 adds the superintendents of Smith Agricultural School to the School Committee and City Council. [**“The mayor shall appoint, subject to review by the city council under section 2-10, all city officers and department heads and the members of multiple-member bodies for whom no other method of appointment or selection is provided by the charter; provided however, this shall not include persons serving under the school committee, persons serving under the superintendents of Smith Agricultural School, and persons serving under the city council.”** ]

## **Topics for further study**

### **Under-represented communities**

The Charter Review Committee spent a good amount of time considering how to further the goal of better engaging under-represented communities in its own work as well as more broadly throughout municipal government. While the committee ultimately did not recommend any changes to the charter pertaining to this issue, it strongly encourages the City Council, mayor and other officials to continue efforts to reach out to under-represented communities and increase diversity in municipal government.

In particular, we urge continued attention to the “Re-Energizing Democracy” recommendations compiled in 2016 by the City of Northampton Department of Planning & Sustainability with the assistance of the Pioneer Valley Planning Commission. That report notes that while “Northampton has a long commitment of and success in involving and serving all community members and stakeholders and focusing on social equity ... inequitable access to opportunity still exists for African-American, Latino/Hispanic and other residents in Northampton and across the United States because of our country's history of institutionalized racism.”

The “Re-Energizing Democracy” report identifies three major barriers to participation by residents: lack of knowledge/time (including frustration with being unable to efficiently find information on the city's website, and uncertainty over how to gain experience and/or skill sets to serve on city boards); logistics (including residents whose first language is not English, and economically disadvantaged residents who may require transportation to and/or child care at meetings); and lack of trust/faith in government (including residents who report not feeling welcome at meetings and not receiving direct-person invitations to meetings).

We encourage city officials to consider remedies to these barriers including arranging meetings in neighborhoods convenient to members of under-represented communities; providing translation services; and considering incentives to encourage diversity in municipal government such as a tiered system of stipends based on financial need.

Finally, we recommend that the mayor and City Council, in appointing the next Charter Review Committee in 2029, consider how best to achieve a diverse membership by, for example, enlarging its size and/or using criteria reflecting the city's demographics in addition to ward representation.

### **Access to information**

Throughout our deliberations, the committee heard concerns from residents and current and former officials about access to information, including the performance of municipal departments, the roles of public officials, the responsibilities of boards and committees, and the mechanics of running for office. In particular, the concerns dealt with availability of information to the public, particularly those residents without access to computers and online capabilities; the ability of information to present accurate “activity” data describing performance goals and accomplishments for departments; and the timeliness of some of the available information if it is to be used by officials for decision-making. Although the committee voted not to include recommendations in the charter about improved presentation and access to information, we suggested several possible remedies in a separate letter to the mayor included in the appendices.

### **Access to elections**

Consistent with the committee's recommendations to encourage increased participation by voters, we also encourage further study by the city clerk of printing ballots, nomination papers and related election materials in

**A. Minutes of December 19, 2019**

Councilor Jarrett noted that, beginning on page 676 of the minutes, there are a number of orders approved with the notation "Rules suspended, passed two readings and enrolled." All of them had two readings and he doesn't believe any rules were actually suspended, so he questioned the reason for the notation.

Administrative Assistant Laura Krutzler said she had asked the same question when she originally began working for the council. She was told that the notation had appeared in City Council minutes since the 1800's and that the City Clerk did not feel comfortable with her removing it but she did not receive a complete explanation for its presence. Councilor Sciarra said they would keep working on getting an explanation for this convention.

Councilor Dwight moved to approve the minutes of December 19, 2019. Councilor LaBarge seconded. The motion passed unanimously 9:0 by voice vote.

**Recess for Committee on Finance Meeting**

Councilor Dwight moved to approve the order in second reading. Councilor LaBarge seconded. The motion passed unanimously 9:0 by roll call vote.

The following order passed two readings:

**City of Northampton**  
MASSACHUSETTS

*In City Council, January 16, 2020*  
*Upon the recommendation of the Community Preservation Committee*

**20.008 An Order to Appropriate CPA Funds to Purchase 105 Acres at Former Pine Grove Golf Course**

Ordered, that

WHEREAS, The Northampton Conservation Commission and Office of Planning & Sustainability submitted a Community Preservation Act application for purchase of 105 acres within the Rocky Hill Greenway at the former Pine Grove Golf Course;

WHEREAS, The parcel includes more than half a mile of Nashawannuck Brook riparian area, is part of a wildlife corridor, abuts existing protected areas in the Rocky Hill Greenway, and presents a myriad of opportunities for climate change adaptation, natural communities restoration, and recreation;

WHEREAS, the project meets the goals of the Sustainable Northampton Plan, Northampton Community Preservation Plan, and Open Space, Recreation and Multi-use Trail Plan to protect open space, provide for passive recreation, and protect heritage landscapes;

WHEREAS, CPA funds will provide a match for a state Local Acquisitions for Natural Diversity grant;

WHEREAS, on November 20, 2019, the Northampton Community Preservation Committee voted unanimously to recommend that \$250,000 in Community Preservation Act funds be used to support this project.

*Ordered, that*

That \$250,000 be appropriated from Community Preservation Act funding to the Northampton Conservation Commission and Office of Planning and Sustainability for the Nashawannuck Riparian Restoration Project. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$172,000 is appropriated from the CPA Open Space Reserve (account #2344930-359931), and \$78,000 is appropriated from the CPA Undesignated Reserve (account #2344930-359930).

Rules suspended, passed two readings and enrolled.

Councilor Dwight moved to approve the order in first reading. Councilor Maiore seconded. The motion passed unanimously 9:0 by roll call vote.

20.010 Order to Appropriate CPA Funds to Community Builders for North Commons Project - 1st reading

20.010 An Order to Appropriate CPA Funds to Community Builders for North Commons Project - 1st reading

Councilor LaBarge moved to approve the order in first reading. Councilor Dwight seconded.

He was part of the Northampton Housing Partnership while this project was moving along, Councilor Jarrett related. He really likes this project because of the open space close by, access to public transportation and easy walk to town. One of the disappointments of Village Hill is the lack of commercial development of businesses that would provide services to its residents. As they start to build sufficient density he thinks additional development may start to happen as businesses need that density to be commercially successful. The significant percentage being made affordable is really great.

The motion passed unanimously 9:0 by roll call vote.

See minutes of February 6, 2020 for second reading.

20.011 An Order to Appropriate CPA Funds to NHA for Hampshire Heights Playground - 1st reading

20.011 An Order to Appropriate CPA Funds to NHA for Hampshire Heights Playground - 1st reading

Councilor LaBarge moved to approve the order in first reading. Councilor Maiore seconded.

This is another project he worked on while on the Housing Partnership, Councilor Jarrett advised. He wanted to speak of the need for playgrounds to be accessible and local. One of the things he heard on the campaign trail from people who grew up in Northampton was how there used to be

neighborhood schools and neighborhood children used to be able to walk to them without transportation and play on the playgrounds. They have consolidated schools to save money and consolidate resources, but he thinks they really need to bring back local, walkable play areas where children can play and get to without transportation. The Hampshire Heights playground will also be available to neighborhood children such as those living at Hathaway Farms, he noted. It is a step forward to correcting the inequities in public housing, he suggested.

Councilor Sciarra called the motion to a vote, and it passed unanimously 9:0.

**2. Election of a City Council President for 2020 – 2021**

Councilor LaBarge explained the procedure she would use in conducting the election and opened the floor to nominations.

Councilor Dwight nominated Councilor Sciarra. Councilor Nash seconded.

There being no further nominations, Councilor LaBarge announced that nominations were closed.

Councilor LaBarge invited Councilor Sciarra to make a statement.

Councilor Sciarra began by saying she was in awe of Councilor LaBarge's 21 years of service and that it was a privilege to sit there with them all. It's not an easy path; it's really a process unlike any other process. Those who do it with a clear sense of purpose and a desire to serve and be expansive with their access really do it with honor and she sees that in abundance in all of them, both new and returning councilors. She's talked with all of them about her desire to help and how important this is for the council. When it became clear there was going to be significant turnover on the council, she found herself reflecting on the experience the five of them are in now. Her goal if elected as council president is to lead in a way of service but, in addition to service to the people of the city, in service to all of them. She is very sure returning colleagues will join her in all of that. Together she wants to build that sense of purpose while addressing the issues and concerns unique to each member and common to them all.

She can promise that this won't be a seamless process; it probably won't be always elegantly done, but they'll all do this together. They will have thoughtful discussions and debates. . . they will run the gamut together but she knows they will do it in good faith and with respect and with the shared goal of serving the people of Florence and Northampton and Leeds. She thanked members for considering her for council president.

Councilor Foster said she wanted to convey her support. She has sort of viewed Councilor Sciarra as the president since the election. The attitude of working as a body and deliberating together along with helping them all along to her is very meaningful as a city councilor and as a quality is critical in a council president.

Councilor LaBarge said she has worked with Councilor Sciarra for six years. She's been on committees with Councilor Sciarra and she is extremely helpful. If she ever has to talk to her it is with due respect. Whenever there's a meeting, she's there. "I am supporting Councilor Sciarra because I feel that she will be fair with every councilor. She is a listener and there's no doubt about it."

She can call her and she gets back to her. She has a lot of respect for Councilor Sciarra and thinks what she said today is very valuable. She wanted to congratulate her – [the honor] is well deserved.

The one virtue of Councilor Sciarra that's going to stand out and that's going to be evident over the next two years is how this body functions and how it collaborates, Councilor Dwight suggested. The biggest challenge is the comity, the collegiality, is wanting. Some people enjoy watching a council that is at each other's throats and at each other's backs but the time that they do the best work for their constituents is actually boring to watch. He is looking to Councilor Sciarra to demystify what they do. He noted that some people who speak before them are trembling; they're terrified because councilors represent that power. Councilor Sciarra has always worked to demystify that. That is the strength that she brings to this body. In fact, he thought she should have been council president for quite a while now. He is grateful for the opportunity to nominate her and vote for her. He is taking a leap to predict she is going to win.

Councilor Nash said he would like to point to a number of Councilor Sciarra's attributes. She has many years of experience chairing different meetings and chairing City Council many times over the last year in Councilor O'Donnell's absence and doing an amazing job. He is very confident that Councilor Sciarra

can keep them focused and on task. She's the author of numerous pieces of legislation, some having to do with women's rights and rights for their schools. She's an excellent collaborator; she doesn't hog the limelight on anything that she's worked on. What Councilor Dwight mentioned about her being accommodating and hospitable, he's seen Councilor Sciarra demonstrate the ability to put people at ease. Lastly, she has this alignment of heart and intellect and temperament which he think is really important to have in this leadership position. Those are the reasons he will be voting for Councilor Sciarra today and it's an honor, he concluded.

Councilor Jarrett said he'd also like to speak in support of Councilor Sciarra for president. He appreciates that she took the time to contact all of them and that she has a plan for their education. He thinks they will be addressing a lot of issues; a lot of them have big ideas and he trusts she will be able to guide them on such a path.

There being no further comments, Councilor LaBarge called for a roll call and the nomination passed unanimously 9:0 by roll call vote.

Councilor LaBarge announced that Councilor Sciarra was, by acclamation, the new council president, and Councilor Sciarra assumed the position of chair

### **3. Election of City Council Vice President for 2020 – 2021**

Councilor Sciarra opened the floor to nominations for council vice president.

Councilor Dwight nominated Councilor Nash. Councilor Thorpe seconded.

Councilor LaBarge nominated Councilor Dwight.

Councilor Dwight respectfully declined.

There being no further nominations, Councilor Sciarra invited Councilor Nash to make a statement.

He does hope that Councilor Sciarra is healthy and can make it to as many meetings as possible but he will make a point of being ready to serve if she's not able, Councilor Nash accepted.

It is worth noting that many of the virtues just assigned to Councilor Sciarra are also in Councilor Nash, Councilor Dwight affirmed. He is very magnanimous and very thoughtful and collaborates very well. Their synergistic combination as officers is going to serve them very well. Given that they are in a sea change here, there is going to be a demonstrable change. He thinks these two are the best prepared to facilitate that change. "You're looking at two of the most hard-working councilors. Nothing makes me feel better about the coming term than having these two helmsman," he enthused.

Councilor Sciarra said they had worked together on many things and she feels like they work really well together and it's always a pleasure to work with him. She doesn't know anyone who works harder than he does. He is so thoughtful and deliberative about everything and his constituents are so well served. It would truly be an honor to serve with him.

She is pretty thrilled by this, Councilor Maiore attested. As a new councilor, she thinks this is a pretty good team to get them going. Both Councilor Nash and Councilor Sciarra have been easy to approach.

There being no further comments, Councilor Sciarra called for a roll call, and the nomination was approved unanimously 9:0 by roll call vote. She announced that Councilor Nash was vice president.

Councilor Nash said it was very humbling and thanked everyone for the vote of confidence and kind words.

**4. Appointment of Enrollment Committee for 2020 - 2021**

Councilor Sciarra read Section 5.7 of the council rules regarding the enrollment committee. She asked Councilor Maiore and Councilor Jarrett if they would be willing to serve on the enrollment committee, and they agreed.

**5. 20.001 An Order to Adopt City Council Rules for 2020 – 2021**

Councilor Dwight moved to approve the order to adopt the rules for this term. Councilor LaBarge seconded.

Councilor Jarrett noted that the Table of Contents (2.6.1.5.) makes reference to a Committee on Public Works and Utilities which no longer exists. Councilor Sciarra acknowledged some housekeeping changes are necessary and said this can be accomplished by means of an order at a later date. As a point of information, Councilor Dwight noted that the current rules were adopted mid-term after councilors reviewed the old rules and found them wanting. Modifications and changes can be forthcoming as councilors have time to scrutinize them and change them, he confirmed. The most recent iteration was crafted almost exclusively by former Council President Ryan O'Donnell. By accepting these, members are not locking themselves into something irredeemable, he assured.

Councilor Sciarra called the motion to a vote, and it passed unanimously 9:0 by roll call.

**6. Open Meeting Law, Conflict of Interest and Public Records Law - Attorney Seewald**

Attorney Seewald congratulated Councilor Sciarra and new and returning councilors on their elections. He looks forward to meeting and getting to know the new councilors and encouraged them to contact him if they ever have a question.

"I'm here to help guide you but I'm also here to keep you out of trouble," he confided.

With regard to the Open Meeting Law (OML), generally, the most basic open-body requirement is that meetings be open to the public, he advised. The OML also requires that the public have advance notice of what they're going to talk about and that, after the meeting, the public has access to what they talked about.

A matter must be posted 48 hours before the meeting, he reminded.

He expressed his understanding that they should have received OML materials. They must file a certification that they have received it within two weeks of taking office.

Attorney Seewald reviewed the following traps for the unwary:

- A quorum may not deliberate outside of a public meeting. A quorum of the City Council is five.
- If planning to introduce something to this body, introduce it with four sponsors or less, he suggested. If it is introduced with five it is going to be evident that they have been talking outside of a public meeting.

- A quorum can happen without all members being physically present. The rule applies to oral communications, texts, whatever. Any communication by five councilors outside of an open meeting will most likely be a violation of the OML.

Members will be getting emails and agendas, etc. from the council clerk. He urged them to send communications only to the Administrative Assistant and not to 'Reply All.'

Members asked questions and offered comments.

Councilor Dwight pointed out that quorums get smaller when they're talking about committees. [A quorum of a four-member subcommittee is three.]

Councilor Nash attended an OML workshop and the lawyer presenting recommended never stating how you're going to vote, he shared.

Attorney Seewald said he disagreed. He thinks councilors have the right to speak to their constituents any way they like. If they sponsor a measure, it's obvious how they're going to vote on it. What they can't do is talk about it to other councilors in either serial or direct fashion.

#### **PUBLIC RECORDS LAW**

Any document made or received by a city councilor in his or her capacity as a councilor is presumed to be a public record, including electronic documents, emails, texts, etc., he confirmed. Be aware that if they are using a private email for government business, that email account is subject to being searched by the city if it has a public records request.

Think carefully before creating a document that they don't want to see above the fold in the Daily Hampshire Gazette. One of the primary requestors of public records are the newspapers.

Councilor Jarrett asked about personal notes.

Notes made for oneself are not public records, Attorney Seewald advised. Personal notes are protected from being disclosed as long as the maker protects them by not disclosing them.

#### **CONFLICT OF INTEREST**

The intent of the Conflict of Interest (COI) law is that councilors when acting as councilors serve one master; that nothing else is creeping into their thought process or deliberation that is personal to them or to their immediate family members. "Anytime you think that your personal interests are somehow bleeding into your decision-making process – stop," he advised. "Get guidance before you act. If you ever have a question, get guidance."

He is required to file his COI opinions with the City Clerk because they're not private. Questions filed with the Ethics Commission are protected.

Councilor Sciarra asked if councilors had to get written opinions. Attorney Seewald said no, but in order be protected they need a written opinion.

Specific prohibitions – if a member has a conflict, it prohibits him or her from participating in that matter, not just from voting but from participating in any way. The Ethics Commission would tell you to leave the room. He would tell them to leave the dais.

Historically, he used to say you cannot take a bribe but he's going to say 'no quid pro quo.'

"You can't take a nickel for doing what you're supposed to do as a city councilor," he stressed. Beyond bribery, there are limits to the gifts they can accept. \$50 is the limit. "You can't take things of value as a councilor as a gift."

Self-dealing – Don't participate in any matter in which you or your immediate family member has a financial interest. (Immediate family is defined as parents, children, siblings, spouse, spouse's parents, children and siblings.)

Don't participate in any matter that has a foreseeable financial impact on your employer or on any organization to which you're affiliated.

You can't receive compensation for participating in your private life in any matter in which the city has a direct financial interest, he added. City employees can't act as an agent before a board of the city. If an employee is a lawyer, he can't represent somebody before the Zoning Board of Appeals or Planning Board. There are limits on holding contracts, he added.

One thing that's come up regularly is that there have been councilors who have done fundraising for nonprofits. Be very careful about that because, as a councilor, you have an ability to act in a coercive manner even if you don't think you're being coercive, he cautioned. What's not permitted is for you to go on the radio and make a pitch or send out a mailing. Councilors can't target constituents; any fundraising solicitation has to be general. Never make a request as Councilor Smith.

Councilor Maiore asked about posting on social media. She asked if she could highlight small businesses on her page, and Attorney Seewald said yes.

Councilor Foster noted that she is the Executive Director of a nonprofit and one of her most important responsibilities is fundraising.

This is an opportunity to remind them that if they have a question, they should get guidance, Attorney Seewald reiterated.

He has been talking about actual conflicts of interest; there is actually something called an appearance of conflict of interest, he continued. If your best friend of 40 years comes before this council, it could appear to a reasonable person that this person might get a better shake than somebody you didn't know. Given that there is not an actual financial conflict, the remedy for that is sunshine, i.e.: disclosure. Simply disclosing that John Smith has been my neighbor for 40 years cures the problem. It's the undisclosed relationship that's the problem. If you think you can't be impartial, step away. You have an obligation to be impartial.

**7. 20.002 An Order to Set Date and Time of 2020-2021 City Council Meetings - 1st Reading**

Councilors agreed to waive the reading of the order by consent. The City Council meets the 1<sup>st</sup> and 3<sup>rd</sup> Thursdays of the month with the exception that, in the summer, the council just meets once a month, Councilor Sciarra explained.

Councilor Dwight moved to accept the order setting the council's schedule. Councilor LaBarge seconded.

Councilor Maiore asked if they could discuss an adjustment to the meeting time. She wanted to take a fresh look at the time, she explained. She has heard from some folks who come for public comment that they would prefer the meetings to start earlier. She wanted to hear what others thought about the pros and cons of an earlier time.

The practice of the council has been to try to recognize if people in the audience are present for specific items and to move those items up on the agenda, Councilor Dwight pointed out. The reason 7 o'clock was arrived at had mostly to do with people's ability to get out of work, take care of their children and get something to eat. When they start earlier they start bleeding into peoples' work schedules. He has no objections to considering another time but those are the reasons behind it.

Councilors discussed, with Councilor Dwight pointing out that the start time is part of a broader discussion of access that includes considering holding meetings in other locations such as Florence, providing child care, parking and the size and configuration of the meeting space itself. Councilor Nash noted there would need to be considerable messaging around a change in time, since the 7 p.m. start is fairly well-embedded in peoples' minds.

"There are no elegant solutions, unfortunately," Councilor Dwight observed. There will always be constraints for any number of people wanting to attend. "We do need to address access, period," he agreed.

Councilors Nash and Sciarra mentioned options for pursuing the topic as being to either refer it to committee or have Councilor Sciarra as council president issue a committee study request. Once the committees are settled, she would be happy to work with a committee, Councilor Sciarra confirmed.

#### 8. Administrative Items

Councilor Sciarra collected committee preference forms from councilors and said she would be making committee assignments and assignments to multi-member bodies as soon as possible.

Councilor Sciarra announced the times of Legislative Matters and Finance Committee organizational meetings as January 13, 2020 @ 5 p.m. and January 14, 2020 @ 5 p.m., respectively.

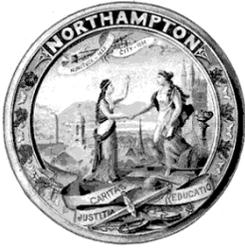

Community Resources will meet for the first time January 20, 2020 at 5 p.m., Transportation and Parking Commission January 21, 2020 at 4 p.m. and the Disability Commission Tuesday, January 21<sup>st</sup> at 5 p.m. [editor's note: the Community Resources Committee meeting was later moved to February 3, 2020 at 5 p.m. after it was realized that January 20<sup>th</sup> was Martin Luther King Day.]

January 30, 2020 is a joint meeting with the School Committee. She has asked the Mayor for him or Finance Director Susan Wright to take some extra time to walk through some terminology at that meeting.

City services will hold its first meeting February 3, 2020 at 4 p.m.

#### 9. Adjourn

There being no other business, Councilor Dwight moved to adjourn. Councilor LaBarge seconded. The meeting was adjourned at 5:38 p.m.

What skills and experience will you bring to this committee assignment?	<p>I have been working in the Construction industry since 1987 as a mechanical engineer and construction manager. I have a Bachelor's Degree in Mechanical Engineering from UMASS and a Master's Degree in Construction Management from the University of Florida.</p> <p>I'm a native of Northampton, born at Cooley Dickenson and graduated from Northampton High School in 1984. I moved away for College in 1991 and returned in 2012 to raise my then 5-year old son in Northampton. We were living in Metro Boston and I didn't want that childhood for him. I wanted him to grow up in the Pioneer Valley like I did.</p> <p>My skills are Project Management and Construction Management of Themed, Industrial, Commercial and Residential construction for the past 33 years. I worked for Disney as an Imagineer for almost 10 years; managing design and construction of new attractions at Walt Disney World. After that, I went on to manage design and construction of luxury estate homes in the Metro Boston area - homes up to 20,000 sf and \$20M. My work path has also taken me through a genetic research facility in San Francisco CA, the first ever female management trainee for the Gilbane Building Co in Providence RI, production home building in Orlando FL, hotel renovations in Fort Myers FL and Kansas City KS and construction management in all 4 theme parks and 2 water parks at Walt Disney World FL.</p> <p>For the past 4 years I have been working almost exclusively with Western Builders here in the Pioneer Valley. I managed construction of the 5 new apartment buildings at the end of Paradise Road at Smith College. I built the Pet Hotel in Hadley. I've estimated, bid and have been awarded numerous projects for Western Builders, including the Sargent House on Main Street in Northampton and another housing unit up on Village Hill (which I still remember of course as the State Hospital). I'm currently finishing a 3-year program of renovations at the Basketball Hall of Fame in Springfield MA, including re-finishing all the panels on the outside of the Sphere last Summer. I'm also currently co-managing a 150-unit Assisted and Independent Living facility in Hudson MA.</p>

Throughout these 33 years I have become proficient at

budgeting, scheduling, estimating, awarding contracts, accounting and all other aspects of construction management. I have sat in front of many planning boards. I understand the language and the needs between Cities, Designers and Builders. I am always looking for the win-win-win-win scenario between Owner, Builder, Design and Municipality. I have my General Contracting license and just recently started a Home Improvement Company (I will transition from Western Builders to do this). I have also done some consulting for real estate attorneys over the past 3 years.

It has long been an interest of mine to serve my hometown in some way with the toolbox of skills I acquired through my career. Although it may not seem so from the description above, life has settled in for me now, 8 years after my move back here. Now is a great time for me to offer my assistance. I would love nothing more than to give back to my City and have a hand in its future.
