**R-20.096 A Resolution Regarding the
Northampton Policing Review Commission**

Whereas, on June 8, 2020 in the letter with the revised order for FY2021 General Fund budget, Mayor Narkewicz "...committed to working with the City Council to address the larger systemic issues of institutional racism and bias laid bare once again by the tragic killing of George Floyd by Minneapolis police officers on May 25, 2020;" and

Whereas, at the June 10 special meeting of the City Council to continue deliberation on the FY2021 General Fund budget, the City Council asked Council President Sciarra and Mayor Narkewicz to bring to the next meeting and before the second vote on the FY2021 General Fund a plan for both branches to work together to bring about meaningful change to policing and public safety; and

Whereas, on June 18 Mayor Narkewicz and Council President Sciarra presented the [Northampton Policing Review Commission](#), a joint commission of both branches of government, "to study these complex issues and recommend reforms to the current organizational and oversight structures, municipal funding allocations, and policies and ordinances that together can transform how the city delivers policing services while ensuring community safety equitably and justly for all;" and

Whereas, the discussion on the commission was continued to a special meeting of the City Council on June 23, where additional feedback from the Council and the public was heard and discussed, and then incorporated into the commission document.

Therefore be it resolved that the City Council and Mayor shall create the Northampton Policing Review Commission with the process, composition and timeline delineated in the commission document.
