Hi Laura - On second reading for order 19.089 to authorize spending limits for revolving funds, I would like to amend the order to increase the limit for two of the revolving funds. After checking the spending to date in all the funds, two funds are much more active than they have been in the past so i want to increase, with Council's approval, the spending limits in Senior Services Activities from \$90,000 to \$150,000 and the spending limits for Senior Services Food Services from \$35,000 to \$90,000. Can you please process this request to amend the order on second reading? Thanks, Susan
