Hi Annie -- We will put the question of making such a designation on our next Council agenda. Do you have more information to share about the Committee? I don't know anything about. Thank you. Ryam

Quoting "Mayor of Northampton Mass." <mayor@northamptonma.gov>:

Dear Councilor O'Donnell,

Mayor Narkewicz is forming a Complete Count Committee to ensure Northampton receives an accurate count for the upcoming 2020 Census. It is critical that a City Council liaison be represented on the Committee so we're wondering if there is someone from the City Council that would be appropriate to serve on the Complete Count Committee.

Thank you in advance for your consideration.

Best regards,  
Annie
