- Lil Sluggers TBall baseball is for player age 4-6 and serves as an introduction to the games of baseball and softball in a fun, active, non-competitive environment. Northampton Parks & Rec Department recognizes that T-ball is often a family's first experience with baseball.
- Please Visit the Parks and Recreation Website listed below to see the COVID Guidelines for this program.
- Players will learn foundational skills of baseball/softball such as batting, catching, throwing and fielding for gains in both experience and confidence. Players are coached by volunteer parents who are trained by Northampton Parks & Recreation.
- Players can expect to hit from a Tee throughout the season, but as the season progresses, coaches are given the option to introduce coach pitch to players who are ready to hit in this fashion. The emphasis is on children receiving skill development thru a positive instruction, equal participation and the value of teamwork and most importantly having fun.
- All players/teams participate each Saturday morning for a seven week season.
