

**Empty hot and cold paper cups  
are now an acceptable  
item to put in with your  
paper recycling.**

Pour out all liquids before recycling.

**Lids and straws go in the trash.**

Cup (paper) - These are just general paper cups that one would find at a picnic or near a water cooler (think Dixie cups).

Cold drink cup (paper) - These are the kinds of paper cups in which you might get a fountain drink.

Hot coffee cup (paper) and lid - To-go coffee cups. The cup is recyclable; the lids are not.
