

Northampton Parks and Recreation American Red Cross Lifeguard Certification Blended Learning Course

June 2026

Learn the skills to prevent, recognize, and respond to aquatic emergencies. This course covers professional-level care for breathing, cardiac, and first aid emergencies until EMS arrives. You'll gain hands-on training in water rescues, surveillance, injury prevention, spinal injury management, and use of rescue equipment.

This is a blended learning class: Requires approximately 10 hours of online lessons
Information and syllabus will be distributed after the swimming assessment
